Seminar format:

On the first day of the seminar, she will discuss *Calming Signals* and shares with us her insights on the fascinating world of communication between dogs, as well as dogs and their owners.

On the second day, she will discuss *Stress in Dogs* and its consequences. How stress affects your dog and what you can do to help your dog handle stressful situations

Loose Leash Walking. Tired of your dog pulling you when out for a walk? Turid will show you a technique to use to stop the pulling and have your dog walk nicely by your side.

Do you have a dog with a particular "problem" that pertains to the topics to be covered in the seminar that you would like for Turid help you with? Please describe the "problem" in detail below and I will submit to Turid in advance for her to select from. You will be notified if you can bring your dog (no extra fee if they are selected). Please note that she will only be able to work with 12 dogs. Sessions are short possibly one in the morning and one in the afternoon (5 minutes or less, NO group training) Dogs must remain calm in the crate or wait quietly in the car.
