## CONFORMATION JUDGING

This is a process of "elimination". Dogs first compete against others of their own breed. One dog in each breed is named Best of Breed and goes on to compete at the Group level. There are seven Groups. The First place dog in each Group (Sporting, Hound, Working, Terrier, Toy, Non-Sporting, and Herding) competes for Best in Show. One is chosen BEST IN SHOW; and, at the end of the show, remains undefeated.

## OBEDIENCE TRIALS

Our Club holds AKC licensed Obedience Trials with our All-Breed conformation events. Dogs compete in various classes: Novice, Open, and Utility. Each class consists of a set of exercises for individual performance. The dog begins with a score of 200, and the judge discounts for errors and lack of precision. The Novice class is the most basic (elementary school), Open becomes more difficult (high school), and Utility is the most advanced (college). A score of 170 and better is "qualifying". At the end, the dog with the highest score is named HIGHEST SCORING DOG IN THE REGULAR CLASSES.

## RALLY TRIALS

Rally is a sport in which the dog and handler complete a course that has been designed by the rally judge. The judge tells the handler to begin, and the dog and handler proceed at their own pace through a course of designated stations (10-20, depending on the level). Each of these stations has a sign providing instructions regarding the next skill that is to be performed.

Scoring is not as rigorous as traditional obedience.

## AGILITY TRIALS

Our Club holds Agility Trials as a separate event. Visit the Agility Page at [www.newnankennelclub.org](http://www.newnankennelclub.org) to learn more.
